Shala Pravesh Sanskar Ceremony

1 April 2023

To seek the blessings of goddess Saraswati at the time of the inception of any good deed is considered very much auspicious because the grace of the deity ensures hassle free compilation of the work. For the same Sala Sanskar Ceremony was organised on 1 April 2023. A sacred havan was conducted and it was followed by cultural items. The tiny - tots of the Primary Wing gave a remarkable show of their talent. The Principal Umesh Kumar advised the students that the requirement of the day is persistent hard work in the right direction. The Director Dheeraj Sharma addressed the gathering and told about the new policies made to enhance the meta-cognitive skills of students. The Chairman showered his blessings with the words of wisdom and advised to set the target of life and do positive efforts in the direction of achieving it. The program was very much successful.

School Excellence Award 2023

03 May 2023

Rishikul Vidyapeeth was awarded with the School Excellence Award for providing such type of environment that helps the students realise the end product of their academic pursuit in such a way that they may feel desire to participate in teaching- learning process wholeheartedly. MS Archana, Director International Outreach Program, received the honour and assured that more efforts would be made to provide the students with all the facilities requisite for their holistic growth. She was honoured by the renowned actor Mr Gajendra Chauhan and he praised the Management of Rishikul for providing all ultra -modern facilities that help the students in their all round development.

Maya Sharma Scholarship Test

12 March 2023

Maya Sharma Scholarship Test is organised every year in the memory of Chairman S K Sharma's beloved wife Maya Sharma. This test is conducted to help the students economically who are academically excellent. For the same Maya Sharma Scholarship Test was conducted on 12 March 2023 and students of Classes from VI to IX and XI from various schools participated in it and gave a good show of their talent. The parents of students praised the initiative taken by the Management and said that it will prove to be a milestone for those students who are economically poor and good at studies. They will also get an opportunity to get education in a good school. Those students who performed well were also bestowed with cash prizes.

World Health Day

7 April 2023

To make the students aware about physical health and mental wellbeing, and various measures to combat global health challenges, our School celebrated World Health Day on 7 April 2023 in the Primary Wing Courtyard . A Special Assembly was conducted in which the students from Classes I to V enthusiastically participated in various activities, like poem recitation, a short skit and informative messages. Teachers shared their views on how taking healthy food, doing regular exercise, etc. will help us in maintaining good health. Primary Wing Incharge Ms Surabhi Dhama guided the students about healthy habits. The celebration fulfilled its objective of developing a deep understanding of the essential link between individual and collective efforts for a sustainable life.

Earth Day Celebration

21 April 2023

To spread awareness among the students regarding the conservation of the earth, World Earth Day was celebrated on 21 April 2023 with great gusto. Different activities were organised for the students of Classes I - V. The programme began with the Plantation Drive where the Chairman SK Sharma planted saplings on the school campus. A Special Assembly for the tiny tots of Classes I & II was organised in which different activities like Speech, Poem & Fancy Dress Show were presented by the students. The Fancy Dress Show depicted the dire need to protect the Earth and proved to an eye opener for the audience. A rally was also taken out to aware the people about preserving our Mother Earth. All the students enthusiastically participated in it and spread the message that a green future is prosperous future.

Inter-House English and Hindi Calligraphy Competitions

15 April 2023

To improve presentation skills and inculcate the habit of good handwriting among students, an Inter-House English and Hindi Calligraphy Competition was organised on 16 April 2023 for the students of Classes IX and X. The entries were judged on the basis of content, neatness, formation of letters and overall presentation. The result is as Follows:

ATL Community Day Celebration

15 April 2023

ATL is a great initiative to foster curiosity, creativity, and imagination in young minds; and inculcate skills such as design mindset, computational thinking, adaptive learning, physical computing etc. The Atal Tinkering Labs are working in the direction of building a community which innovates for the benefit of generations to come .

Rishikul Vidyapeeth Celebrated the ATL Community Day on 15 April 2023 at 10 am in Atal Tinkering Lab. The ATL lab had around 40 students from the school and around the same number from non -ATL School , Govt. Model Sanskriti Sr Sec School, Model Town, Sonapat who may not have access to the formal education to participate in this journey of innovation.

The main focus of conducting this activity was to imbibe "Do it yourself", "Teamwork" and "Innovation for all" . A brief introduction of the concept of ATL provided to the participants with a broader view to gain access to the latest technology. The day started with the welcome of students to encourage students to tinker and learn something new. Students saw the ATL lab and demos like paper circuits, multiple images by mirrors, newspaper bridge, spring constant, hovercraft, Alchemy Chain, balloon train, balloon car, etc. A quiz was also organised to check students' learning & the winners were awarded with gifts.

Display Board Decoration Competition

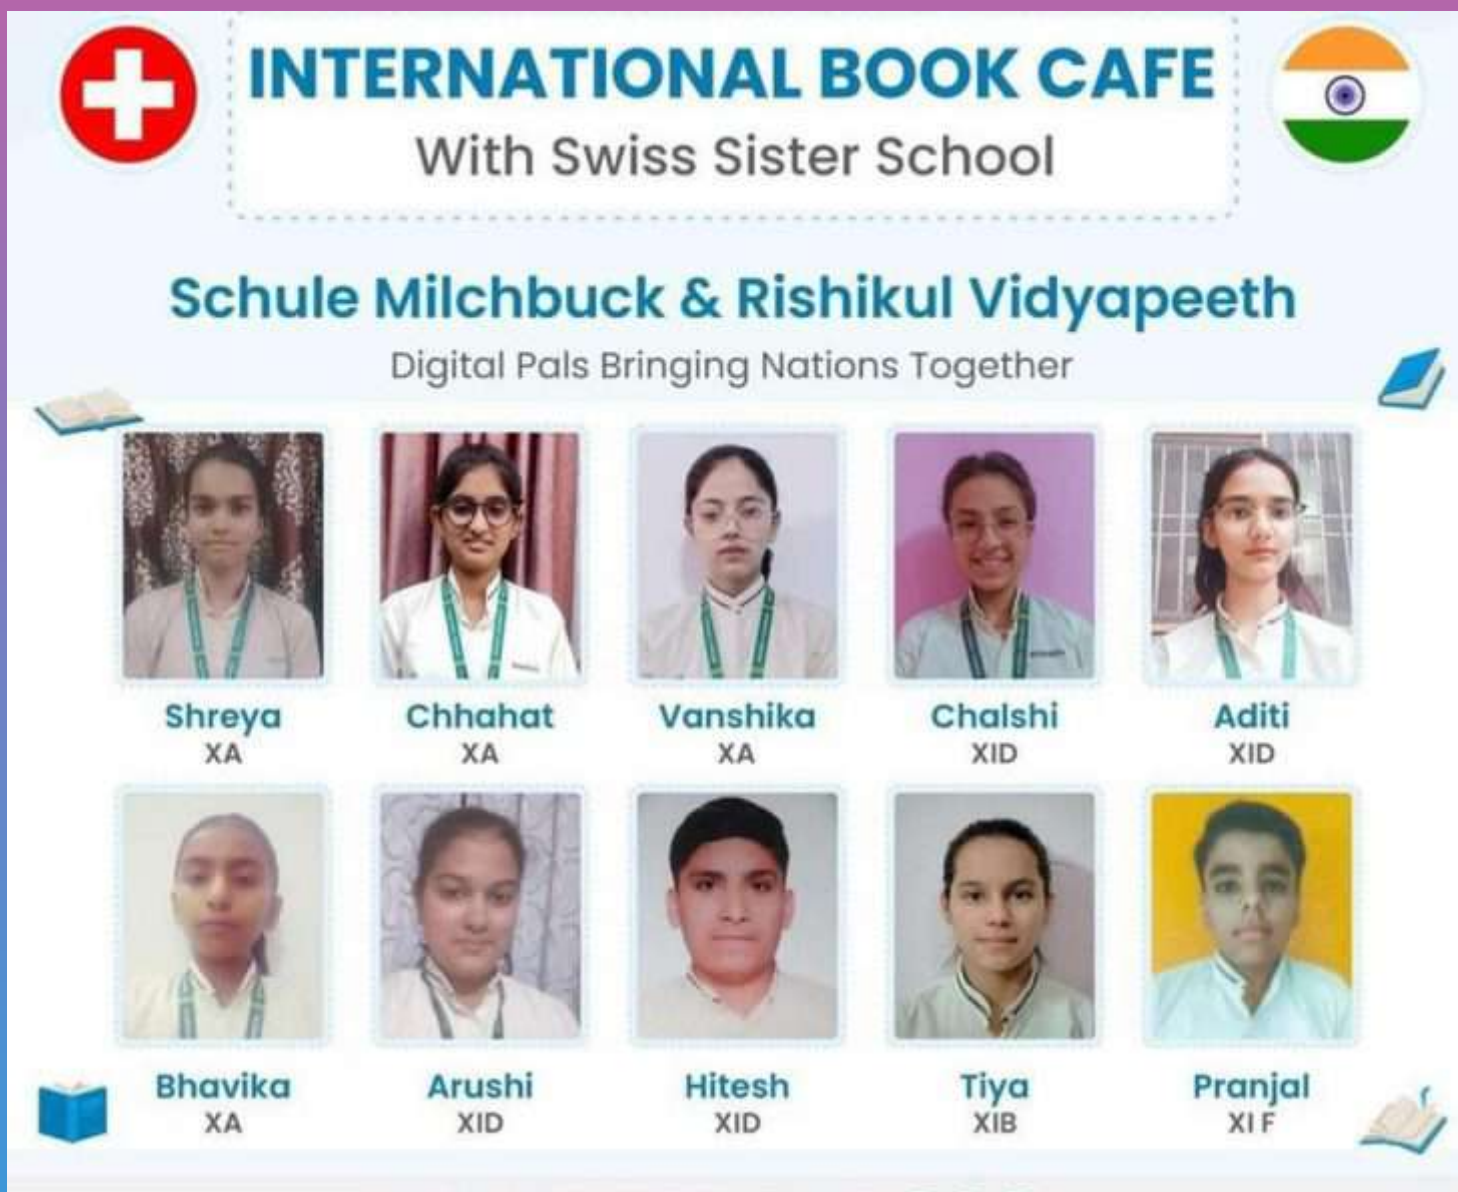

15 April 2023

To exhibit the creativity of young minds in a different manner, a Display Board Decoration Competition was organised for Classes VI - VIII on 15 April 2023. Our budding artists captured the attention of judges with their creative ideas and meaningful depiction of unparalleled standard of perfection. The winners are :

S No	Class & Section	Position
1	VI Einstein	I
2	VIII Curie	II
3	VIII Einstein	III

Project International Book Café with Swiss Sister School

The dedicated and sincere book lovers of the school participated in International Book Café with Swiss Sister School with great enthusiasm. They exchanged e-mails with the Swiss students and shared their interest about various books by different authors. Through their e-mails, they also gathered various information about each others such as likes, dislikes, favourite places, etc. They also talked about the messages conveyed through the lives of various characters of the books to the masses. Really, it is an interesting project for all.

List of Books being discussed with Digi Pals on mails:

- 1) Animal Farm- George Orwell
- 2) Pride and Prejudice- Jane Austen
- 3) Emma- Jane Austen
- 4) Gulliver's Travels- Jonathan Swift
- 5) Jane Eyre- Charlotte Bronte
- 6) Alice in The Wonderland- Lewis Carroll

International Youth Talk with Taiwan

21 April 2023

Students of Classes XI and XII participated in International Youth Talk. It was under the umbrella of International Film Festival (Watch and Learn). Students virtually interacted with the students and teachers from Taiwan worked in groups to prepare PowerPoint Presentations. It was possible only due to incessant efforts of honourable Archana ma'am, director international outreach programme.

Partnership and Career Counselling Session UpGrad Connect Australia

12 April 2023

Director, Dheeraj Sharma signed MOU with UpGrad Connect Australia. In this way, Rishikul created history by becoming the only school in Sonapat to have official partnership with the biggest Educational Consultancy which will send trained counsellors to give free counselling session to students aspiring to study abroad. The Vice President Ms Kala Anand also provided a Career Counselling Session to the students of Classes XI and XII in which she emphasised the interconnectedness of various subjects and different streams.

Joint Morning Assembly

29 April 2023

School organised the Joint Morning Assembly on 29 April 2023. The Assembly started with the Saraswati Vandana and followed by various cultural items. The students of Senior Wing staged a skit on the topic Beat the Plastic Pollution and gave a message to the audience that they should use plastic as minimum as possible because it creates various types of pollution. They exhorted the people that they should use paper or cloth bags instead of polythene. Ms Komal Dahiya who cleared the prestigious exam of NDA and got selected Flying Officer in Indian Air Force, was also awarded for her conspicuous achievement. The Principle Umesh Kumar advised the audience to find other alternate of plastic as it is nonbiodegradable. The Chairman S K Sharma blessed the students with his valuable words of wisdom and advised them to do hard work and not to stop till they achieve their goals. He also congratulated Ms Kamal Dahiya and Commander, Yogesh Bhardwaj (Indian Navy) for their notable achievements. The meritorious of sports and academic were also bestowed with the prizes.

Commencement of Aakash Classes

17 April 2023

To nurture the students with personalized attention in a competitive atmosphere and also to improve their performance in school & board examinations, the school has started School Integrated Program with Aakash Byju's. The classes were started on 17 April 2023 on the school campus. The programme focuses on building their analytical & reasoning skills to succeed in Olympiads & Scholarship examinations such as NTSE. Really, hats off to the remarkable efforts of Rishikul!

Soft Skills Development Programme

01 April 2023

To enhance the communication skills of students, the Wing started a new venture Soft Skills Development Programme from 01 April 2023 onwards. The programme primarily includes activities such as Chanting of Gayatri Mantras and Thought of the day along with the News. The programme is directed to make the students more confident and better at Mass Communication. The Programme has been loved by students thoroughly as it provides each and everyone of them to come and speak in front of the whole class. Over all the programme turned out to be a whole success.

Movie Time For Boarders

The borders of Senior Wing Hostel went to Miraj Multiplex to refresh themselves from their daily routine by watching a movie. The students enjoyed a lot and returned with the determination to work hard in their studies.

Visit to PIET (Panipat Institution of Engineering and Technology)

28 April 2023

Rishikulians of Class XII went on a visit to PIET (Panipat Institution of Engineering and Technology). They got a chance to know about the study environment, courses offered, facilities available and many other aspects of this educational institution. Various activities and competitions were organized and two students Sanvi Malhotra and Shivani, created another history by giving a vibrating performance in QUEST organized by the institution.

Thinking Workshop

29 April 2023

A Girls and Boys Career Counselling Session was organized for the students of Classes IX and X on 29 April 2023. The session began with a warm welcome of the resource persons' and worthy Vice Principal. The resource persons Ms Vanshika and Mr Sachin shared their views on dealing with anxiety and peer pressure involved while choosing the stream after class X. They also discussed about the quality of life lived in general during this time period. The attentive and ever vigilant students participated in the session enthusiastically and answered all the questions correctly. Over all ,the session turned out to be extremely relatable and enlightening for all.

Happy Birthday to You...

(April Born)

AMAZING FACTS

Snakes don't blink because they do not have eyelids.

Too much **chocolate** is poisonous to **dogs** as it contains theobromine

Strongest muscle in the body is **tongue**

Hippos can't swim or float and their sweat is pink.

A **jellyfish** and a **cucumber** both are 95% water.

The **human brain** is composed of roughly 73% water

There are more **stars** in the universe than **grains of sand** on the Earth's beaches.

No number before **1,000** contains the letter **A**

Your **teeth** are as unique as your **fingerprint**!

The color **red** does not make **bulls** angry. Infact, they are partially colour blind.

Potatoes were the first vegetable to be grown in **space**.

Hummingbirds are the only birds that can fly **backwards** and **upside down**
