As a parent, I want to convey my heartfelt appreciation and gratitude for the way the online classes for the students have been organised and executed. Well done teachers.

I am extremely thankful to all the teachers who have put in so much of hardwork and concern to make sure that all the students are connected and involved. I found my kids more proactive even doing work from home. Thanks! Rishikul for what you are doing.

I extend my heartfelt gratitude towards the entire Rishikul fraternity for making the teaching learning process easier. Cheers for all the mentors. We are loving it.

Thank you for a fantastic interaction as always! Teachers' detailed feedbacks are so valuable. The entire team of Rishikul is doing a wonderful job for its students to keep them engaged with their studies during this dreadful time.

I am so happy that my child is able to interact with his mentors and classmates, just like school. Online classes have provided an opportunity to my kid to explore his IT skills when he makes presentations and does other online assignments. Thanks! Rishikul.

Thank you teachers, my son looks forward to the online teaching sessions daily. The whole Rishikul team is amazing. Once again thank you for organizing the things so well.

My kids are enjoying a lot. I appreciate the efforts by school to keep the kids busy and even we get to know their strengths and weakness and can work on them. Impressive work by the mentors.

I want to thank you all for the efforts the school, teachers and staff are putting in, specially during this time of stress. My kids are well informed. Teachers' work is commendable. I am proud of you all.
