Dear Teachers
I want to show my gratitude towards all the teachers of Rishikul Vidyapeeth Sonipat for their job that they are performing during this crucial time of Covid 19. Taking online classes, preparing lessons and maintaining discipline by keeping the students engaged in various activities without being physically present are really appreciable. I am incredibly grateful to all the teachers.

Dear Teachers

I am mother of Aaradhya Tomar, a student of 1st class. In this unprecedented time of Covid 19 Online Classes came as a life saver for all the parents like me. I was so much worried about my child's education as schools were closed and there was a strict lockdown throughout the whole country. I was wondering that this session might be a zero session but the school started Online Classes through Google Class and Google Meet by using digital platform. Initially I was sceptical about the effectiveness of this new way of teaching but gradually I saw that this method not only proved to be effective but also insightful and productive. I especially want to thank her teacher Ms Shikha Sharma for her patience and hard work.
