Virtual Baby Show

6 December 2020

Rishikul Vidyapeeth believes that every child is unique and talented in his or her own way. It is important to give children a great start so that they can make the best of their abilities now & in the future also. Keeping the same spirit alive the school organised Virtual Baby Show on 6 December 2020. Many parents & tiny tots from different places not only from India but also from various parts of the world participated in the show. The show was

organised in two categories : Age Groups 6 months -2 years and Age Groups 2-5 years. The show had a variety of competitions like Cutest Smile, Sparkling Eyes, Photogenic Face, Talent Show - Dramebazi, Dance, Singing, etc. for the kids to enjoy with. The best attraction of the show was watching the parents tapping their feet with tiny tots.

Christmas Celebration

24 December 2020

Christmas was celebrated by the students of classes I - V on 24 December 2020 with great fun . Students dressed themselves in red attire tapped their feet on the beats of 'Jingle Bells' & wished Merry Christmas to their friends, relatives and teachers. Students made beautiful and attractive cards and gave their warm wishes to all. They

gave wings to their imagination by decorating X-mas trees. The youngsters of class V explained the significance of celebrating Christmas very confidently. The celebration brought happiness among the children & they learnt about the spirit of giving & sharing.

New Year Celebration

31 December 2020

New Year is a historic day in everyone's life. On this day we move forward with a new resolution, new hopes and aspirations. It is celebrated with great pomp and show all over the world. We, at Rishikul Vidyapeeth, celebrated this day by conducting an array of activities for the students of classes I-V on 31 December 2020. Students participated in

it actively and enthusiastically by reciting poems, singing, dancing, delivering speeches, etc. On this occasion the Incharge gave a welcoming speech & inspired all the students to learn from their mistakes & move ahead with full energy, dedication towards the work and respect for their elders.

Online Competitions

16 November-20 December 2020

Maths competitions have a number of benefits for young learners. Whether competing individually or in a team, these events offer valuable opportunities for students to set & achieve goals. To sharpen the students' problem-solving skills, Rishikul Vidyapeeth motivated the young mathematicians of classes I-V to participate in Online

Maths Competitions (BRICS Maths & Khan Academy). These competitions developed logical reasoning, intelligence & spatial thinking of the students and they proved themselves the best in true sense and were awarded with e-Certificates.

Thanks for the remarkable efforts taken by all the teachers. I would like to appreciate the teachers for handling the kids so well and giving them an equal opportunity to speak and express themselves. I, Malti Sethi, mother of Chaitanya sethi who studies in class 1 lotus. Thanku teachers of Rishikul Vidyapeeth.

Ms Usha
mother of
Pratik

I, Usha, Mother of Pratik Antil class-III Rose of your school, would like to appreciate the efforts taken by the teachers to start the online classes at the time of lockdown. We all know it's not possible for children to attend offline classes at this time. But I am really very happy with the steps taken by the school to continue the online classes in an effective manner that even in this time children are still learning new things and their time is being used in productive way. Even my son is taking a lot of interest in the assignments given by the teachers and engaging them in the completion of them. Thanking you!

Ms Yogesh Bala
