At the time of COVID-19 when all the schools were closed, we were very much worried about the study of my ward. But as soon as I have noticed that the teachers shifted from Offline to Online in no time was surprising and It gave us a sigh of relief. I noticed that the teachers were performing their onus in an exalted manner. Their way of teaching was so effective that we never felt the difference between Offline and Online Classes. Really I appreciate all the teachers for their constructive efforts.

My heartiest congratulations to all the teachers for their incessant support and guidance during this odd situation.

I must say that the staff of Rishikul Vidyapeeth Sonipat has done a commendable job during the pandemic with the online classes. It is quiet difficult to manage primary children even during the Offline Classes. The teachers made the Online Classes so fun filled and interactive, that made the whole experience fruitful. I am really relieved that the pandemic didn't affect my child's studies and all the credit goes to the teachers. I would like to thank all the teachers for their hard work.
