Hi everyone!

I am Dhruv Lather, an alumnus of Rishikul Vidyapeeth. I Passed class XII from this institution during the year 2003. Currently I am working as an Anaesthesiologist in Safdarjung Hospital, New Delhi. If I am a successful person today, the credit goes to only and only Rishikul Vidyapeeth. I got solutions to all my problems here. My teachers' support at every step, their loving attitude, their teaching style are still fresh in my mind and heart. The mantras provided by them for being a good human being worked as a ladder to my success in life.

Thanks a lot Rishikul for helping me to get my goal fulfilled.

The four years that I spent in Rishikul Vidyapeeth transformed me completely. I'll always be thankful for the confidence that it gave me. The faculty is just amazing, be it teaching, be it any problem solving or be it interacting with the students. At last, i just want to say that I found the best school & the best teachers!

And that green building has memories that I'll cherish forever.
