Summer Break Assignment

Homework, or a homework assignment is a set of tasks assigned to students by their teachers to be completed outside the class. Summer break homework gives students opportunity to review their progress in academic field. The tiny tots showed excellent performance during the accomplishment of the assignment.

Online Workshop for Teachers

Jolly phonics is a fun and child centred approach to teaching literacy through synthetic phonics. To learn the same a workshop was attended by Pre Primary Teachers. During the workshop, the teachers learnt the actions for each of the 42 letters, segmenting & blending of sounds, diagraphs such as Sh, th, ai, ue, etc.

Child Art

Art and craft activities give kids a sense of achievement to the kids and allow them to take pride in their work confidently. They learn to act and think like designers, artists and creative thinkers. All the tiny artists designed beautiful master piece through their art works.

Parents Testimonials

Thanks for the effort and taking care of Sidhi. Thank you so much. I think online classes are really working well for us. I would like to really appreciate your work in handling the kids and giving everyone an equal opportunity to speak and express themselves. (Sidhi Class-Nursery)

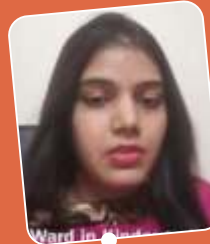

Respected mam, I mother of Aditya, would like to submit our feedback regarding online classes provided by your school during this lock down period. I would like to inform you that I am fully satisfied with this online mode of education during this unavoidable circumstances. Our ward is able to catch the subject through this online facility. We also appreciate the efforts of teachers and thankful for their cooperation with students.

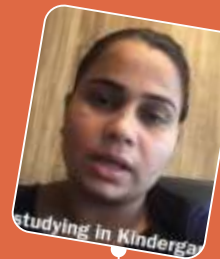

The online class is really a great initiative during this phase of lock down to bridge the education gap. Moreover it is very interactive and engaging. The school is doing great job.

Online classes are going well. My ward is enjoying online classes. I really appreciate the way of teaching. Thanks ma'am for the efforts you are doing for the kids. (Mother of Priyanshi, Class - KG)

Thanks to the management and incharges of rishikul vidyapeeth. Online classes are very helpful for our child.

In Covid-19 children are not able to do anything but these online classes helps our child to improve our child academically and improve their creativity.

Hello everyone this is Usha Jha mother of Ayushi Jha from class kg lotus of rishikul vidyapeeth. Today I would like to share my experience regarding online classes. I would like to thanks to all teachers for putting their efforts to online classes as there making PDF and sending all activities & also providing regular live classes in google class room to each & every students. Thanks mam

Dear Ma'am, The way you teach children is very easy. My ward Keerti enjoys your classes, She enjoys the way you teach and explain the lessons. Thank you for your kind cooperation in this tough time.

I would like to appreciate and acknowledge the efforts and hard work put in by the teacher of my daughter Prisha and the school to give online classes to the students so they are not left behind in their academic session. Thankyou mam you are taking a lot of care right now... sending videos ... worksheets etc so that the kids do not miss anything...highly appreciated. I am proud that my daughter is in a very good school and Kudos to the teacher also. Prisha(Nursery)

I am highly impressed by the classes teachers are conducting online. Teachers are taking lectures in the tough scenerio of covid-19.

Thanks for the efforts and taking care of the kids. Thank you so much I think online classes are really working well for us. I would like to truly appreciate your work in handling the kids so well and giving everyone an equal opportunity to speak and express themselves.

It's nice that kids are having online classes. At least they are busy with something for studies which is most important for them. I thanks all the teachers for teaching my ward in a smart way. (Mother of Mahi, Class - KG)

Happy Birthday to You....
