# Parents' Testimonials

I am mother of Shruti Goel. I want to say that teachers are really working hard. They provide us information in the form of pdf, video lesson and worksheet. They are also conducting online classes to help our wards. Thanks

I am Preeti Sharma, mother of Sanchit Sharma. During the time of epidemic covid 19, school is providing us the facility of online classes. Students are taking interest in online classes. I am totally satisfied with the teachers. Thanks for your kind cooperation in this tough time.

Hello everyone! I am Nisha, mother of Jarshit studying in class I Rose. I am totally satisfied with online classes. The teachers are conducting co-curricular activities also online. I am happy to see that in this tough time on pandemic, teachers are working hard for the overall development of the students

Myself Aarti mother of Nikunj studying in class V. I am highly impressed by school management and teachers who are conducting online classes and giving education to our children during this Covid - 19. Thank you teachers for a great job.

Myself Neelam Bose mother of Parinita studying in class II. I'm extremely satisfied with the school and highly impressed with the dedication of the teachers. They are not only providing a quality education through online classes but also taking care of the overall development of the students. Teachers are conducting many competitions like Brics Maths, Ganga Quiz, Poster Making, etc. The school is helping to bring out the talent of students. I am very thankful to the school authorities and a very very big thank to all the teachers.

Hello everyone! My name is Archana. I am very thankful to the teachers who are putting lots of efforts for students. I am very happy to see the progress of my child. I never realised that school is closed because I didn't find difference between Online and offline study. Teachers are providing PDF, Assignments & Video lessons of every chapter. Again a big thank to all the teachers.

I am Seema Rani mother of Ashvika studying in class 1. As you all are aware of the Pandemic Covid- 19. School is closed from the starting of the new session. But I am very happy with the school management and teachers because they are conducting online classes for the students. Although it is difficult for students and teachers but I appreciate the efforts done by the teachers. Teachers are explaining the content in an interesting way through activities. My daughter is learning and discussing all the things with us. So according to me school is open in the form of online classes. Thank you very much!

Myself Sushma, my daughters are studying in Rishikul Vidyapeeth and doing well in online classes. In this difficult situation online classes are an excellent idea of management. According to myself it is the best way to make student's learn new things & study. Thanks to all teachers for their efforts.

I, father of Neevi, Class IV Lotus want to thank the School Management, Incharges and all the teachers for their hard work. I appreciate the efforts made by the teachers during this lockdown period.

Myself Amit Nain father of Rayna, would like to share my feedback regarding online classes conducted by the teachers. Teachers are putting lots of efforts and teaching very well in online classes. Students are learning new things. Teachers are giving instructions clearly regarding study, activities, Competition, etc. I'm satisfied with this mode of education. Thank you!

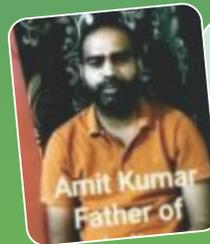

I am very thankful to the Rishikul for conducting online classes. Classes are going well. Teachers are making lots of efforts. All the teachers teaching to my ward Ishika are very hardworking and cooperative. Students are also studying very sincerely. Thank you

I'm Kanwarnavdeep Singh Nandha father of Shubhkarman Singh studying in class I. I would like to thank all the management and the entire teachers of Rishikul School who are putting their best efforts to ensure that students don't lose their valuable study. I know that we are in difficult time which is a very harsh reality. I believe that these difficult situations will turn students into diamonds. Teachers are taking care of students and giving the best education. Thank you!

I am Atul Kumar. My both children are studying in Rishikul. My dear friends as you all know due to Covid-19 school is conducting online classes. I would like to thank all the teachers who are working very hard. Teachers are very supporting and helpful. All students are getting benefits of online education. Teachers are providing information time to time. Students are getting e-certificates in many activities. Once again I am very thankful to the teachers. The efforts done by the teachers are highly appreciable. Thank you Rishikul for conducting online classes.

Hello everyone! My wards Aaliya and Aayan are the part of Rishikul School. I would like to thank all the teachers from the core of my heart who are putting lots of efforts and guiding the students. Thank you!
