Anushka	IXA	Card Making	III

Experiential Learning Activity

07 November 2020

To acquaint the students with the new pattern of learning and also to make difficult concepts of Mathematics easy and convincing, an Experiential Learning Activity was organised for the students of classes IX & X by the faculty of Mathematics. They participated in it with great enthusiasm and proved that angle subtended by an arc at the centre is the angle subtended by it in the remaining part of circle by paper cutting method.

Chart on Biogeochemical Cycle

21 November 2020

The creative and budding scientists of Secondary Wing participated in an Experiential Learning Activity 'Chart on Biogeochemical Cycle' and showcased their knowledge and skills by preparing beautiful and decorative charts.

Fit India Week

23-28 November 2020

"A sound mind resides in a sound body"

In an attempt to promote fitness among school children, the CBSE observed Fitness Week in the second and third week of November 2020 as a part of Fit India Movement. The prime objective of the initiative is to bring about a behavioural change in school children from spending "Passive Screen Time" to Active Field Time". Our school observed the extensive six day programme aimed to address both physical and mental fitness needs of children. The students performed various physical activities such as Yoga, Dance, Aerobics, Rope Skipping etc. The active week was really productive and fruitful. The students' active participation is really praise worthy.

Rastriya Ekta Diwas

The government celebrated the Rastriya Ekta Diwas to make the students aware of the importance of unity in which the students of Classes XI and XII participated enthusiastically and won the certificates. Their efforts were accorded by everyone.

Quiz on Satrak Bharat, Samridh Bharat

To make the citizens vigilant and prosperous, the government conducted in Observance Satarkta Jagrukta Pakhvada during 27th October to 10th November in which the students of Classes XI and XII participated actively and gave the answers of the questions asked in the quiz. The students who gave excellent performance, they were awarded with e-Certificates. Their efforts were praised by all and sundry.

National Cyber Awareness

To make the students aware of the Cyber Crime, the government organized a National Cyber Security Awareness Quiz in which the students of Classes XI and XII participated and gave a wonderful performance of their knowledge. The winners were awarded with e-Certificates. This activity proved to be very helpful for the students.

Constitution Day Celebration

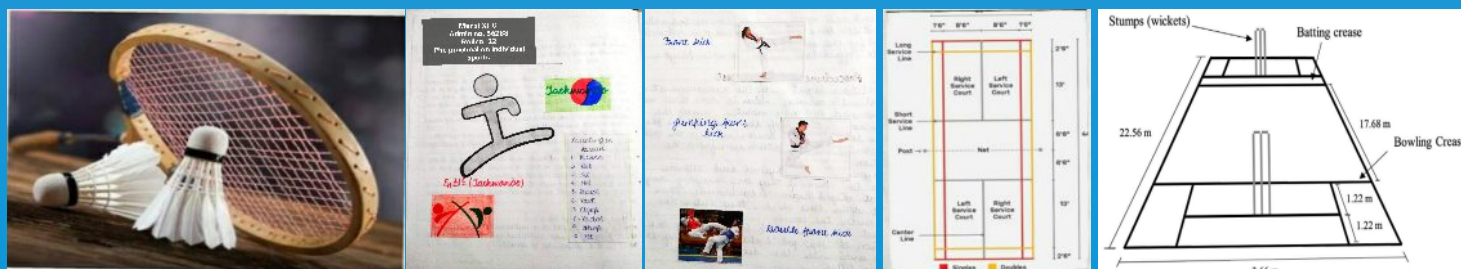

The Political Science Department conducted an activity for the students of Classes XI and XII in which they read the Preamble and came to know about our constitution. This activity proved to be very insightful and productive for the students.

Experiential Learning Activity

Physical Education

23 November 2020

Physical Education Department organised an Experiential Learning Activity in which the students of Classes XI and XII participated and made various posters on the theme Individual Games on 23 November 2020. The students came to know about the individual games and games that are played in team. It proved to be very beneficial for the students.

Parent's Testimonials

I am really very thankful to the teachers who are taking great pain to make learning a happy and cheerful experience to all the students. The online and offline classes that are arranged for our children during this tough period of covid 19 are really very fruitful to our children. They are able to get their doubts cleared. Thank you Rishikul for creating a safe & secure environment to our children

At Rishikul, I always find my ward is getting proper attention, love, care and support. He is enthusiastically participating in various activities, raising his confidence and learning each and everything curiously. And its all due to the dedicated staff of the school. Thanks to Rishikul for creating the Global leaders!

Thank you teachers for your remarkable efforts that you all are doing for the betterment of our children. You are a real role model for our children. Thank you for your concern!

It is true that the school provides all the conditions for the all round development of the children. Even during this tough time of Covid 19, teachers are working very hard to make learning possible to the children. Hats off to these great mentors!

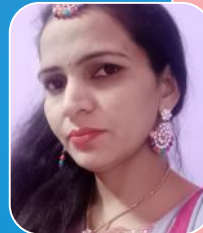

Hello All, I want to congratulate the school authorities for successfully conducting online classes and simultaneously motivating our children to be healthy & fit during this challenging time.

It is really very much true that Rishikul is teaching our children moral values, manners, love, peace and harmony. And I am very happy to see my ward participating enthusiastically in all the activities. Thank you Rishikul for teaching our children how to be a good human being.

Rishikul provides the students ample opportunities to grow and progress. They are motivated at each step of life and inspired to do the extra ordinary deeds. Really, being a parent, I am very happy for making the best choice for my child.

Thank you teachers for guiding our children to excel in life, to be a good human being ,to be an outstanding writer and also a perfect orator. Your efforts are really inspiring. Thank you Rishikul!
