Proper table manners, quality of food, cleanliness and hygiene are strictly maintained.

Health Centre

A full time qualified resident doctor is available to look after the timely medical care of the boarders. A full-fledged, well-equipped infirmary is maintained under the strict supervision of the said doctor, and a set of qualified nurses and attendants to assist him.

Occasional Outings

Rishikul firmly believes that exploring the outer world is more important for students than bookish knowledge.

So, our students, especially boarders get out of their comfort zone and explore the world around. It helps them remove monotony from their lives and know the unknown.

Guidance and Counselling

To assist adolescent pupils in the requisite identification and tapping of their hidden potential, the school provides timely and competent Guidance-cum- Counselling by the area experts, who assist them in making realistic educational and vocational choices as per their aptitudes. They are further provided with the latest specific information about different academic and vocational opportunities available for realizing their cherished dreams in life. Apart from this, the school counsellor also helps the students overcome their personal as well as social problems in a specialized manner.

HUBS OF EXPERIENTIAL LEARNING

The teachers at Rishikul believe that experiential learning is an integral part of engaged learning process where students learn by doing and reflecting on their experiences and mistakes.

To provide the students ample opportunities for the same, the school has various ultra- modern and well-equipped labs for different subjects like Mathematics, Science, Commerce, English, Hindi, Social Science and Computer & NCC Halls, Exhibition Halls also.

Here, the students take part in various activities like hands-on experiments, practicals, making mnemonic, fishbowl & many more.

Atal Tinkering Lab

Under the aegis of NITI AYOOG, Rishikul has inducted Atal Tinkering Lab on its campus to strengthen the Atal Innovation Mission that aims at establishing innovation hubs in schools and cultivating children into Neoteric Innovators. The objective of this scheme is to foster curiosity, creativity and imagination in young minds; and inculcate skills such as design mindset, computational thinking, adaptive learning, physical computing, etc. Young children will get a chance to work with tools and equipment to understand the concepts of STEM (Science, Technology, Engineering and Mathematics).

English Enrichment Centre

Rishikulians believe that English as a language has become even more mandatory skill for survival and the thirst of imparting English language as a skill needs an innovative approach. We also understand

that using language labs or enrichment centres in the teaching of English is highly essential & beneficial right from an early age.

So, the school has established a well- designed, ultra- modern and digital Language Enrichment centre. This centre runs on the lines of a very popular UK based Pedagogy, Jolly Phonics. Our teachers are well-trained in this internationally acclaimed programme which lays a strong foundation for phonics and reading skills. We focus on letter-sound association for 42 sounds, blending, segmenting, tricky words, letter formation, story-telling, book reading, speaking and comprehension activities, etc.

Here, the students enhance their vocabulary and focus on the finer shades of Grammar, Pronunciation, Intonation, Modulation, Phonetics and Syllabic Division.

For Primary and Middle students, the school has also introduced Advanced Level Speak Plus Programme to inculcate a habit of English conversation and infusing confidence while speaking in public.

The school has also introduced Advanced Level English Language Learning Programme for students of all grades to inculcate a habit of English conversation and infusing confidence while speaking in public.

Coding at All Levels

The school offers a wide range of Coding Courses at all levels to help the students think logically and become creative & innovative. Students are guided to use various age -appropriate Coding

HUBS OF EXPERIENTIAL LEARNING...

- 7 No clothes other than the prescribed ones are allowed to be retained by the boarders
- 8 All belongings of the boarders, including clothes, should be clearly marked with the prescribed indelible ink for the purpose of identification
- 9 Though every care is taken that no item/article of the boarders gets misplaced/lost, yet the onus to safeguard their articles lies solely upon the boarders themselves
- 10 No boarder can leave the hostel premises without seeking the prior written permission of the Warden and the Principal
- 11 No boarder is allowed to leave the hostel in the mid of the session
- 12 No boarder will be allowed to leave the hostel during the exam days
- 13 Though no efforts are spared to check the boarders from playing truant, yet the School and the Hostel Authorities cannot be held responsible for any such act of truancy
- 14 The School and Hostel Authorities do not take any responsibility, legal or financial, for any injury caused to a boarder in an accidental mishap
- 15 Parents/Guardians are advised not to see their children too often as it can disturb them emotionally. Moreover, they should not go and relax in the hostel rooms with their children
- 16 Periodic reports on students' progress are regularly sent to parents, even then, they had better see the class teacher occasionally to discuss and ensure the progress of their children
- 17 Parents desirous of seeing their child's teachers may come to the school on the Second Saturday of a month between 12 noon & 3 pm. Hence, they should not visit the school any other day to maintain the decorum and avoid unnecessary embarrassment
- 18 Only the parents, the guardians or the authorised persons whose photos have already been submitted to the office can visit their children/wards

- 19 A boarder is permitted to go home only four times a year:
 - i Summer Vacation
 - ii Diwali Holidays
 - iii Winter Break
 - iv Session Break in March
- 20 In case of a boarder's being seriously ill, his/her parents/guardians are informed through telephone or telegram at their expense. All the charges for getting a child hospitalized will be realized from the parents concerned
- 21 Parents are advised to avoid making frequent phone calls, for an excessive communication with boarders not only affects their concentration but also makes them feel homesick
- 22 If a boarder leaves the hostel without prior notice or remains absent for more than a month, he/she will automatically forfeit the right of his/her belongings
- 23 Parents should refer to the booklet, 'Guidelines for Parents' for self-convenience
- 24 An heir certificate has to be produced in case of dispute over parentage
- 25 If the child is suffering from any chronic disease, it is the duty of parents to convey it to the Hostel Authorities and make their own arrangements for periodical check-ups
- 26 It is the duty of parents to get their child vaccinated timely, if it is required
- 27 A candidate who seeks admission to the school as a boarder shall complete the session in the hostel. Any mid session withdrawal from hostel will lead to an automatic withdrawal from the school rolls as well
- 28 Admission to the school does not ensure admission to the hostel as well. It depends on vacant seats available in the hostel
