# World Population Day

To make the students aware of the impending precarious situation due to population, the World Population Day was celebrated on 11 July 2022. Increasing population is a burning issue not only of India but also the whole world. The students showed their concern through speeches and beautiful cards displaying the slogans to draw the attention of people towards this problem. In their speeches, the students told the consequences of population and gave suggestions to prevent the increasing population. The efforts of students were acclaimed by all. The Wing Incharge Umesh Sharma acclaimed the efforts of students.

# Boys and Girls Counseling Session

To make the students aware of the problems faced during adolescence and how to circumvent the challenges that they may meet while pursuing their desired goals, Boys and Girls Counseling Sessions were conducted separately. The teachers advised them to have positive attitude as it can alter their way of thinking and outlook of life. The Vice-Principal Umesh Sharma exhorted them to do hard work as it is the key to success. Success is achieved by those who think and work differently. Never ever try to bring their hearts to their boots whenever you don't get the expected result. The sessions were highly informative and helpful for the students.

# A Visit to Naval Airport Karnal

Five cadets of NCC Air Wing along with their ANO First Officer Sanjeev Kumar visited the Naval Airport Karnal where they were guided by the Commanding Officer Group Captain DG Nair and other officers. The cadets got the first hand experience of cockpit and knowledge about the flying of an aeroplane and the functioning of various components of an aircraft. It proved to be very insightful and productive.

# World Nature Conservation Day

World Nature Conservation Day is celebrated every year on 28 July across the world to lay the foundation of a healthy environment so that our societies remain stable and productive - today and in the future. The Secondary Wing celebrated it to create awareness about the importance of natural resources around us and conserve them. Today the earth is facing challenges like climate change, deforestation, loss of habitat for wildlife, pollution and more. The students performed role play to draw the attention of the masses towards the problems of climate change, pandemic, natural disaster, increased temperature, and more all due to the overexploitation of natural resources. The Vice-Principal Umesh Sharma exhorted the students to use the natural resources judiciously and employ conservation practices to refrain from exploiting the nature.

# The Visit of an Alumna

Ms. Kirti, an Alumna, working as Basic Education Officer, Bhagpat, U.P. visited the school on 31 July 2022. She was welcomed warm heatedly by presenting bouquet. She shared her experiences and advised the boarders that there is no short cut in life. Hardwork is the key to success. Success is not an accident. It is the result of your attitude and your attitude is a choice . Hence, success is a matter of choice and not chance. The Chairman S k Sharma advised the the students that on the journey of life's highway, keep your eye upon the goal. Focus on donut, not upon the hole.

# Distinguished Achievement of School

The Principal Vandana Vats and the Vice-Principal Umesh Sharma received First Prize for Cleanliness at District Level. There were various areas of competition for schools decided by the District Education Officer and our school got first position in the field of Cleanliness. The Principal thanked the students, teachers and support staff for maintaining cleanliness on the school campus.
